One of those vexatious errors for which type is noted, made the race and rodeo advertisement say last week that the same would be held on another date than scheduled for the fifth, and almost the entire edition was printed before the error was discovered. The date is corrected elsewhere in this issue, and if you enjoy such sports remember next Monday afternoon, July 5th, is the date and be on hand.

Dr. J. E. Schlottman has sold his home in the west part of town to L. E. Kollman and will move to Raymondville in the near future where he will go into the drug business. Since his injury more than a year ago the Doctor has been unable to practice his profession of dentistry and is going back to his former calling of druggist. This paper regrets the departure of these good people from our town but wishes them success in their new home.

You write letters occasionally. Why not use printed stationery? We will furnish you a box of 200 notes, sheets and 100 envelopes, all neatly printed with your name and address, for only \$1.00. Fletcher's Farming, Hondo, Texas. 30-tf.

It will pay you to watch our clubbing rates. We can sometimes make you substantial savings on the subscription price of your papers and magazines and at the same time, by subscribing through this office, you can help us extend the circulation of Farming. In this way we both profit. 33-tf.

SPEAKS FOR LYNCH DAVID

Hon. T. W. Davison, for Lieutenant Governor of Texas, spoke from 10:30 to 11:30 of yesterday morning to some seven or a hundred voters in the riot court room at the court in the interest of Lynch David candidacy for governor.

Neither time nor space permit extensive review of the speech, the speaker pointed out that governing the state has grown into a big business enterprise, calling for trained business man, one capable of thinking and dealing in terms of millions.

He thinks Jim Ferguson is "bragging in too many back-logs" and Moody too inexperienced to be trusted. Hence by a process of elimination "Lynch it a cinch" his opinion.

Mr. Davidson is an easy, fit speaker; abstained from vituperation; and on the whole made a pleasing speech.

He went from here to Sabal where he was billed for his speech.

EXPANDING.

C. R. Gaines & Son have begun the enlargement of their garage building. A sixty-foot brick building will be erected, beginning at the northwest corner of the two-story brick store and extending across the lot now occupied by garage and the vacant lot recently purchased by Mr. Gaines from Masonic Lodge. A forty-foot mobile sales room will occupy north side of the building.

When completed, Mr. Gaines will have one of the most commodious and best equipped garages in all section. He is to be congratulated on this evidence of progress and success.

MARRIED.

Mr. J. M. Eichholtz of San Antonio and Miss Emma Britch, popular Deputy County Clerk, were quietly married in San Antonio July 19, 1926.

Mr. Eichholtz is a successful carpenter and contractor of San Antonio. His bride has been employed for several years in the County Clerk's office and is popular with large circle of friends. She has yet resigned her position and will remain in the Clerk's office for some time.

This paper joins in congratulations and best wishes.

80 PER CENT OF OPERATIONS NOT NECESSARY.

God constructed our natural bodies, and our various organs work in harmony, and do not conflict with each other when they get the amount of life force God intended they should. When any part of our body has been removed you can never be normal again. Removal of a part causes extra work upon another part. This is an unnatural condition, and wears out the parts in question more quickly, therefore life is shortened. Chiropactic Spinal Adjustments remove the interference that obstructs the natural flow of life force, and Health and Happiness result. In old chronic cases this can not be accomplished in 30 or 40 adjustments; because you have usually been in that condition for a long period of time, maybe years. Nature works slow. Chiropactic can only work in harmony with nature, never against it, and always leaves your organs intact, therefore your case without you giving history of same. Once used, always used. Examination Free.

Women, Why Suffer?

Fort Worth, Texas.—"A relative of mine received wonderful benefit by taking Dr. Pierce's Favorite Prescription. Her health was very poor for a long time, she suffered almost constantly with aches and pains peculiar to women, and never found a remedy to help her until she learned of Dr. Pierce's Favorite Prescription."

She started taking it, gained about fifteen pounds in weight and got well. I took two bottles not long ago and it helped me wonderfully.—Mrs. Laura Key, 120 E. 12th St. All dealers. WHEN A FELLER NEEDS A FRIEND.

From the Huajillo Leaf.

When days are bright an' shiny an' the sky is full of blue;

When everything is rosy, an' Fortune smiles on you;

When your hand has grasped the gold-pot at the rainbow's mystic end—

It isn't then, my brother, that a feller needs a friend.

When your heart is beatin' lightly, an' you're free from every care;

When you're breathin' naught but fragrance in the balmy summer air;

When your mind is calm an' happy, from the morn' til evenin's end

Oh, it isn't then, my brother, that a feller needs a friend.

But it's when things go against you an' you're down and out for sure;

When you're lookin', vainly lookin' for a speedy, certain cure,

When a heart that's sick an' heavy seeks for someone who will lend

It is then you'll find, my brother, that a feller needs a friend.

She Meant Well.

An old lady walked into the Judge's office.

"Are you the judge of Reprobates?" she inquired.

"I am the Judge of Probate," replied his honor, with a smile.

"Well, that's it, I expect," answered the old lady. "You see," she went on confidentially, "my husband died detested and left several little infernals, and I want to be their executioner."

"WHITE COTTON FACE" NOW RUDDY GLOW.

Says Mrs. Wolcott—All the Terrible Aches, Pains and Sour Bile Sickness Gone Completely.

Like many other folks thereabouts, Mrs. Wolcott was a picture of misery. She says: "I was ghastly white as cotton, all thinned out, bilious all the time, terrible headaches, bones creaked as if they would snap apart, ached all over, could hardly walk or lift an arm; had been taking Calomel steadily, and it made me so deathly sick I was completely discouraged. Then one day my cousin who lives near the state line came on a visit and she had a bottle of Dodson's Liver Tone. My! what a change. It gave me new courage. We sent to town for two bottles, and since then my face is filled with a ruddy glow. Gained over twenty pounds and am the picture of health. Whenever I feel bilious or constipated I take a dose of Dodson's Liver Tone and it works just fine."

This wonderful liver tone is sold by all druggists and is absolutely guaranteed to start your liver without making you sick.

Get a bottle today, and when you feel constipated, sick, bilious, sluggish, with dull headache, Dodson's Liver Tone will put you to rights every time. Try it today.

SHORT COURSE TO FEATURE SHEEP AND GOATS

Ranchmen in the hilly sections of Southwest Texas are to be given special attention this year in the program of the South Texas Short Course and Encampment at the Medina Hereford Ranch in July. The services of J. M. Jones, Animal Husbandman of the Texas Experiment Station, have been secured to give a complete course in culling sheep and goats, grading wool and mohair, and the fundamentals of successful breeding. Mr. Jones is an experienced man in this line, having supervision of all the sheep and goat investigations conducted by the Experiment Stations in Texas. Several prominent breeders are furnishing choice specimens of their flocks of sheep and goats for the occasion. This does not mean that other lines of stock raising and farming will be neglected. On the other hand, the three days at the Ranch, July 14-15-16, will be packed full of demonstrations and discussions of problems that are common to cotton, truck, hog, dairy, and poultry farming.

The women and girls will be just as busily engaged in cooking, canning, sewing, millinery and the like. And running through it all, if this course is a repetition of the former ones, it will be that spirit of neighborliness and good fellowship that make this annual event a bright spot in the year for country folk. The detailed programs are now out, and those interested may obtain one by applying to the county home demonstration agent.
